General Suggestions and or Comments
Pleas it is important for people who can afford to pay full price for a bus pass so reduced or free would really help.
I love WCC
The bus times are crazy; I have to get up at 7am to get on the bus for my class at 10:30! I would have to get up at 4 or 5 am to get on the bus to be here for my 8 am class. I just have someone drop me off.
Free Wi-Fi on buses?
GO EAGLES!
I feel that bus passes would be extremely beneficial to most students sometimes \$2 means showing up to class and not showing up for class
Great Idea
We need institutional support to help students w/fees we are broke!
Greedy School!!
Students should not be charged. It should be an institutional support.
I think this is a great idea!
A lot of students would use cheaper bus passes/free stickers for buses!
I have to leave class 15 early to catch the last bus home
Very good idea.
I do not feel like I should be penalized for owning my truck and being able to drive to school.
Make sure the bus is on time, I know a girl who was always late to class because the bus was late.
Fair to add on a small fee to help bring down cost
I think bus passes and free parking would be excellent!
I used a bus once and it was pricey, it would be good to have a low price for transportation because it can get expensive. And the parking permit is very expensive for students who don't qualify for Financial aid \$5 per student for a free/reduced parking would be nice.
